No Investment Advice Disclaimer

Effective date: June 22, 2026

This disclaimer is a first draft for review by counsel. Do not publish until approved.

Tetrahedron provides software tools, market data organization, automation controls, paper trading, execution support, AI summaries, and reporting. Unless we expressly state otherwise in a counsel-approved written agreement, Tetrahedron does not provide personalized investment, financial, legal, tax, accounting, or trading advice.

Signals, rankings, recommendations, regime labels, confidence scores, AI summaries, trade proposals, and recap reports are informational and operational support tools. They may be wrong, incomplete, stale, or unsuitable for your circumstances.

You are responsible for your trading decisions, exchange account settings, risk limits, automation settings, and live execution decisions. You should consult qualified professionals before making financial, legal, or tax decisions.

Nothing in the service should be understood as:

- a guarantee of profit
- an instruction to buy, sell, short, or hold any asset
- individualized investment advice
- a fiduciary relationship
- a recommendation suitable for every user
- an offer to buy or sell securities, commodities, derivatives, or other regulated products
