Testimonials And Affiliate Disclosure Policy

Effective date: June 22, 2026

This policy is a first draft for review by counsel. Do not publish until approved.

Testimonials

Testimonials must be truthful, not misleading, and based on real user experiences. We should not imply typical results unless we can substantiate typicality.

If testimonials mention trading results, they must include appropriate performance and risk disclosures.

Material Connections

If a person is paid, receives free service, receives affiliate compensation, has an ownership relationship, or has another material connection to Tetrahedron, that connection must be disclosed clearly and near the endorsement.

Affiliates And Referrals

Affiliate or referral programs require clear disclosure language, tracking rules, fraud controls, and counsel review before launch.

Prohibited Claims

Marketing should not claim or imply:

- guaranteed profits

- risk-free trading
- certain outcomes
- typical user returns without substantiation
- exchange endorsement without formal authorization
- regulatory approval unless accurate and documented
